Matrix Comsec Concludes Growth Summit at Daman

Matrix Comsec, recently concluded its Seventh annual partners Growth Summit at Daman. It was a two day event where Top performing Matrix system integrators were acknowledged and awarded for their outstanding sales performance in the previous year. More than 200 Matrix partners from 20+ countries attended the summit. Complying with its tradition of introducing products during the summit, this year too products both in telecom and security range respectively were introduced.

Speaking on the occasion, Mr. Ganesh Jivani, Founder and Managing Director of Matrix Comsec, said, "Our partners are core to our business and a key driver for Matrix's future growth. This event is a demonstration of Matrix's commitment to our partners across the globe, as well as an opportunity to recognize our top performing channel associates.

The event was a time to take a break after a year-long hard work. Matrix partners enjoyed various outdoor games and activities at Daman. Growth Summit also provided a platform to partners to interact with their other partners and share their experience and ideas.

The summit ended on a positive and energetic note where partners were all charged up to tackle the current business year and promised to meet again at the summit next year.
