Matrix to showcase cutting-edge telecom and security solutions at 25th Edition of Convergence India Expo, 8-10 February 2017, New Delhi

Matrix Comsec, a leading manufacturer of enterprise telecom and security products, is participating in the 25th Edition of Convergence India Expo, New Delhi. Convergence is a leading ICT event and this year with the theme of "Digital India" will focus on new-age technologies and merging business solutions following the vision of our honourable Prime Minister Mr. Narendra Modi. Matrix, being a consistent exhibitor at Convergence India for the last seven years, is all set to repeat its success story.

Matrix, with a strong history of delivering cutting-edge products and innovative solutions in the IP telephony market, will showcase Multi-location Collaboration Solution, Mobility Solution, Office Communication Solution with the complete range of Business Phone Systems, User Terminals, VoIP and GSM Gateways and Converged Voice and Data products.

During Convergence, Matrix will showcase SARVAM - Unified Communication Server for Modern Enterprises. Matrix SARVAM UCS is a Unified Communication Solution engineered on four pillars of Collaboration, Communication, Messaging and Mobility to enhance customer convenience and business productivity. With its intuitive interface and built-in real-time features of Video Calling, Email Integration, Presence Sharing and BLF Keys, Matrix SARVAM UCS empowers an organization to extend its reach to the employees easily. It is designed to overcome geographical, communication device, and user-accessibility barriers with a single platform solution.

In Security domain, Matrix will exhibit its entire portfolio of Video Surveillance solutions including Video Recorders, IP Cameras and Enterprise Video Management Software. VMS offers centralized management and monitoring of up to one Lakh cameras spread across various locations. Further, Matrix will demonstrate its range of biometric solutions including Time-Attendance, Access Control, Visitor Management, Cafeteria Management, Employee Self Service and Contract Workers Management.

“Convergence is the Mecca of ICT event held in India bringing all the Telecom leaders, IT Professionals and System Integrators on a common platform. We are looking forward to meet key service providers and system integrators to share insights and successful case studies from across the globe and explain our business solution”, added Sagar Gosalia, Sr. VP Sales & Marketing.

Visit Matrix at Hall 9, Stall No. A10, Convergence India, Pragati Maidan, New Delhi from February 8-12, 2017.

About Matrix
