Matrix Awarded as Best Intelligent Security Solutions Provider by Electronics Maker

Matrix has bagged the Electronics Maker Award for Best Intelligent Security Solutions Provider for the third consecutive time. Electronics Maker, one of the leading magazines for Electronics Industry, has instituted this Award to recognize contribution and performance of companies operating in the security field.

The Award was selected across various categories based on internal data, market analysis and features learning. Finally, Electronics Maker top editorial and advisory panel chose the winners.

On winning this prestigious award, Ganesh Jivani, CEO of Matrix said “Matrix is focused on designing, manufacturing and marketing cutting-edge Security and Telecom solutions for modern organizations. Matrix exports these products to more than 50 countries – most of them to technologically advanced countries. R&D is one of the prime drivers of Matrix business. With 300+ R&D engineers, Matrix invests heavily in R&D. This award is a validation of Matrix's design and innovation capabilities. I thank all our customers and channel partners for their trust in Matrix and congratulate the entire Matrix team for this achievement. We thank Electronics Maker for recognizing Matrix. Such recognition would encourage us to work harder towards building world-class, cutting-edge technologies and products.”

About Matrix

Established in 1991, Matrix is a leader in security and telecom solutions for modern businesses and enterprises. Matrix, an innovative, technology driven and customer focused organization, is committed to keep pace with the revolutions in security and telecom industries. With more than 40% of its human resources dedicated to the development of new products, Matrix

has launched cutting-edge products such as Unified Communications, IP-PBX, Universal Gateways, Convergence, VOIP Gateways, GSM Gateways, IP Video Surveillance, Access Control and Time-Attendance. These solutions are feature-rich, reliable and conform to the international standards. Having global footprints in Europe, North America, South America, Africa and Asia through an extensive network of more than 1000 system integrators, Matrix ensures that the products serve the needs of its customers faster and longer. Matrix has gained trust and admiration of customers representing the entire spectrum of industries. Matrix has won many national and international awards for its innovative products.
