Matrix to Host Exclusive Telecom and Security Solutions at Matrix Insight, Riyadh

Matrix will be showcasing its latest trends and technologies from [Security](#) and Telecom domain, including the new NVRX Series and PRASAR UCS for Modern Enterprises. We will demonstrate our Enterprise [Telecom](#) and Security solutions that cater the need of SMEs, SOHOs and Large Enterprises.

Matrix, a leading manufacturer of Telecom and Security products will be hosting Matrix Insight on 26th July from 8:30 am onwards at Marriott Hotel, Riyadh in Saudi Arabia. We welcome everyone in the Telecom and Security industry from new prospects, strategic partners to existing customers and suppliers.

Matrix will showcase enterprise grade Time-Attendance solution engineered with features such as Auto Push Events to Server, Automatic Fingerprint Distribution, Instant Notification, 200+ Customized Reports Generation, Scheduler Services including Backup, and more. Furthermore, Access Control being the prime requirement in terms of security, Matrix will present its Standalone Access Control solution with License Free Environment, whereby a single panel can handle up to 255 doors and 25,000 users. Get a glimpse into the cutting-edge Matrix biometric solutions with multiple credentials option at Riyadh.

Matrix will also be unveiling its latest communication solution, PRASAR UCS – Unified Communication Solution for Modern Enterprises that supports up to 2,100 IP users from a single box at the event. A brief glimpse into the Telecom portfolio will also be given to the audience.

Matrix NVRX Series

Matrix PRASAR UCS

Matrix Video Surveillance wing is going to sport a new range of IP cameras, incorporating SONY STARVIS series sensors with EXMOR technology. Matrix Video Surveillance wing is going to exhibit its Video Management solution SATATYA SAMAS which approaches threats in a logical sequential manner through its unique features like CREAM (Cognitive Responsive Engine with Automated Monitoring). We will also introduce the new range of smart Extreme Network Video Recorders - NVRx.

"Events like Matrix Insight are important to us because they give us the chance to connect with our partners, SIs and prospects. We look forward to explore and spread our footprints in the territory through this product expo, showcasing our innovative solutions that can help accelerate business growth", said Ganesh Jivani, Managing Director.

Visit us at Riyadh Marriott Hotel, King Saud Road, Al Wazarat District, Riyadh, Saudi Arabia on 26th July, 2018 from 8:30 AM onwards.
